

KNIGHT'S SUIT

WHAT'S IN THE BOX?

1x Harness A
1x Shield Part B
1x Shield Part C
1x Shield part D
1x Shield Part E
1x Sword part F
2x Sword part G
3x Sword part H

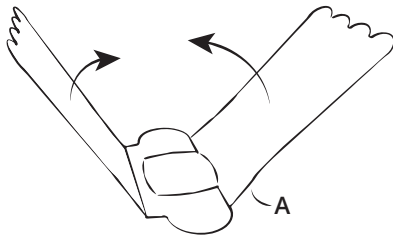

Optional:
1x Helmet part I
1x Helmet part J
1x Helmet part K

ATTENTION! Fold towards the folding line

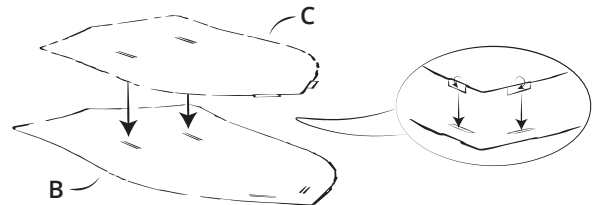

1. Check if you have all the parts.

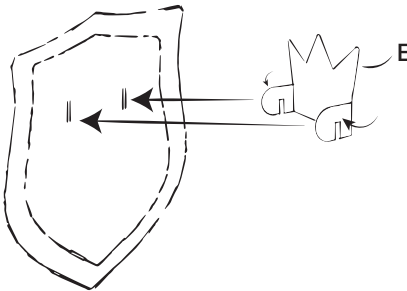

2. Break out the loose parts.

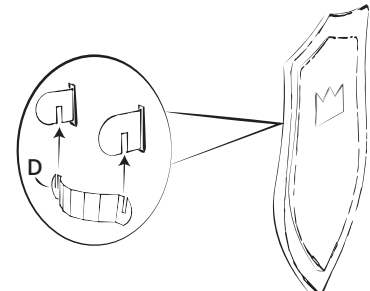

3. Lay the harness flat with the folding lines visible upwards and fold it upwards by 90 degrees.

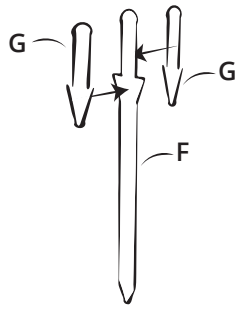

4. Lay shield part B flat and place shield part C on top. Fold the flaps over and slide them into the lower slots of shield part B.

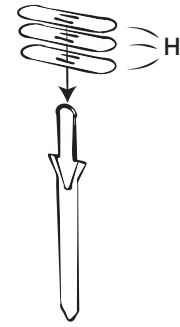

5. Put the shield upright and fold shield part E over. Then, slide it through the remaining slots.

6. Fold shield part D into a handle and slide it into the incisions of shield part E on the back.

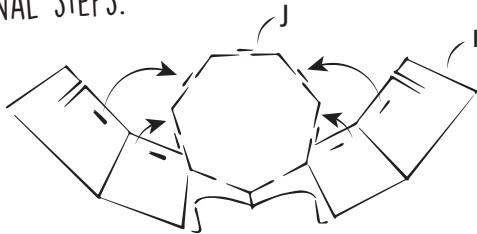

7. Take sword part F and place sword part G on the front and back of the handle.

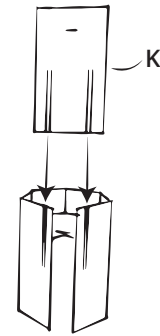

8. Now slide 3x part H over the handle. The sword is now finished!

OPTIONAL STEPS:

9. Fold helmet part I around helmet part J. Place the cut-outs of helmet part J in the slots of helmet part I.

10. Finally, slide helmet part K into helmet part I. The helmet is now finished!
