

PICNIC TABLE PRINTABLE

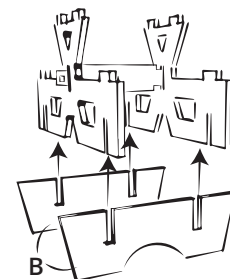

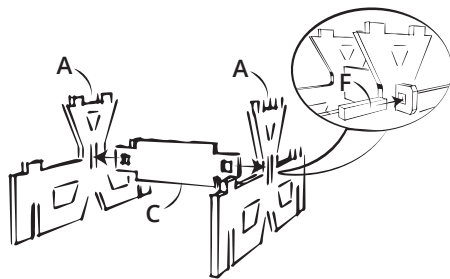

WHAT'S IN THE BOX?

- 2x Frame A
- 2x Support beam B
- 1x Support beam C
- 2x Seat D
- 1x Table top E
- 4x Locking piece F

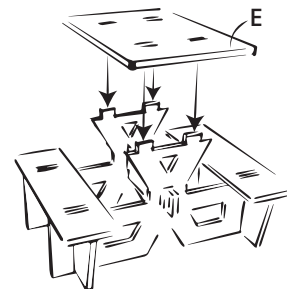

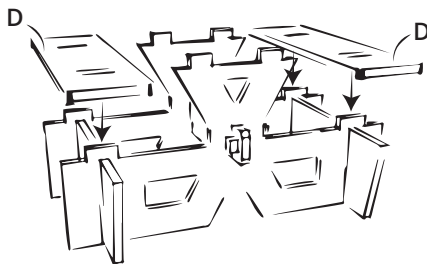

1. Make sure you have all the parts.

2. Break out the loose parts. Keep only two locking pieces F that are located in support beam B.

3. Place the frames A opposite each other and slide support beam C between them. Secure it with locking piece F.

4. Now slide the support beams B into the frame.

5. Then place the seats D on the frame.

6. Finally, place the table top E on top. The picnic table is now finished!
