

MADE-LAMP

WHAT'S IN THE BOX?

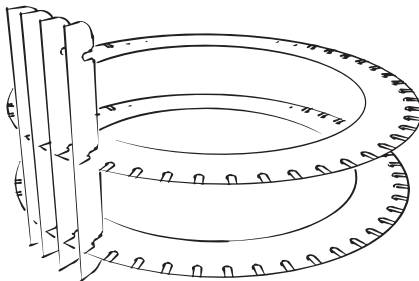

- 2x Middle/lower part A
- 1x Upper part B
- 52x Slats C
- 1x Lamp base D

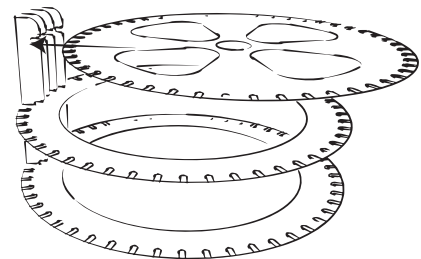

1. Make sure you have all the parts.

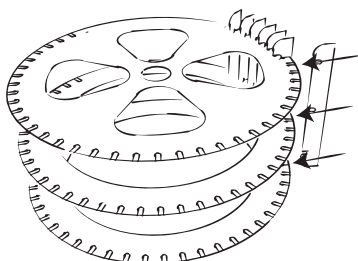

2. Insert a part C into the incisions of the middle part A and down part A

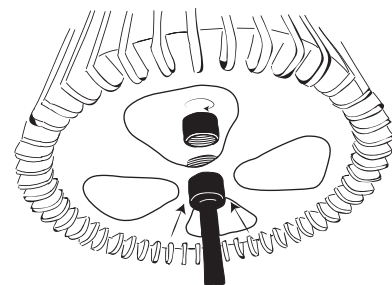

3. Repeat this with three more slats C.

4. Then insert upper part B into the upper incisions of parts C.

5. Do this with all parts C around the whole lamp. There are two parts extra.

6. Remove the ring from the lamp base, then insert the lamp base D into the middle circle of part B and tighten the ring.
