

# STORAGE CABINET STUDY BUDDIES

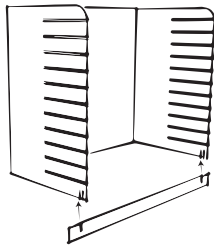

## WHAT'S IN THE BOX?

- 1x Back A
- 3x Connecting Parts B
- 8x Partition shelves
- 1x Leg D

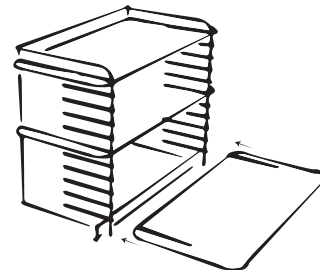

1. Make sure you have all the parts.

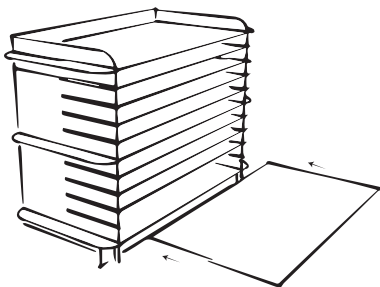

2. Make sure the folding lines are on the inside and fold the sides of part A towards you.

3. Slide part D into the bottom incision of part A

4. Slide parts B into the upper, middle and lower incisions of A.

5. Place all shelves C in the remaining incisions.
