

CUSTOM DRAWER

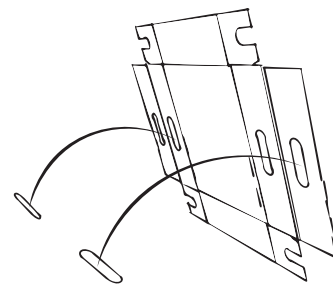

WHAT'S IN THE BOX?

1x Drawer A

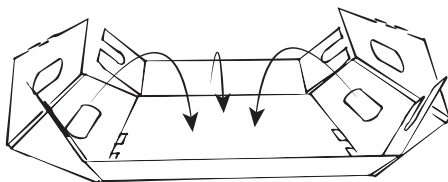

ATTENTION! Fold towards the folding line

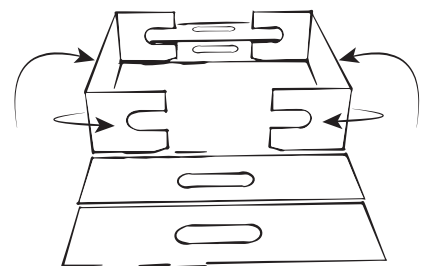

1. Make sure you have all the parts.

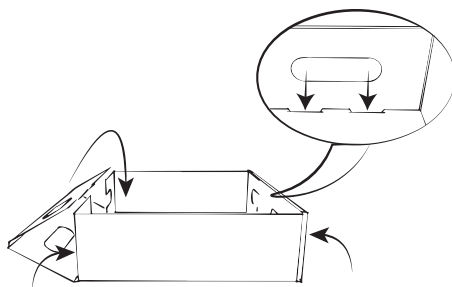

2. Break out the loose parts.

3. Carefully pre-fold all folding lines one time.

4. Fold the side walls 90° inwards.

5. Fold the front and back walls inwards and clamp them into the recesses. The drawer is now finished!
