

TRAFFIC SIGNS

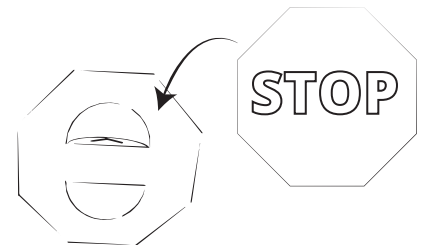

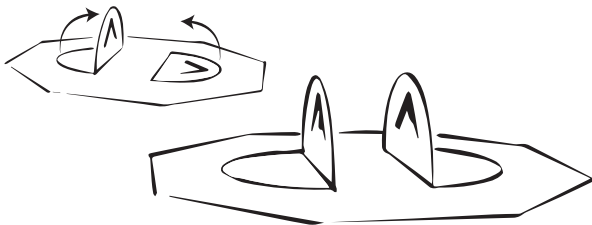

WHAT'S IN THE BOX?

- 5x** Pole part A
- 15x** Foot part B
- 1x** Stop sign C
- 1x** Work in progress sign D
- 1x** Left arrow sign E
- 1x** Speed 30 sign F
- 1x** Enter at your own risk sign G
- 5x** Stickers part H

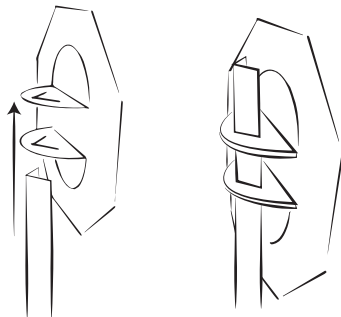

1. Make sure you have all the parts.

2. Take 3 of part B and place them on top of each other, then take one of part A and slide the end into the slots of 3 stacked parts B.

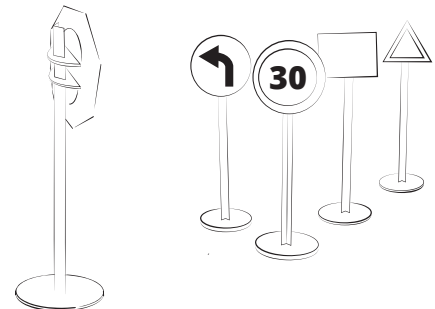

3. Now take one of the signs (here C) and fold the half round flaps 90 degrees.

4. Now take the corresponding sticker H with the same shape and stick it on the other side.

5. Now slide a part A through the slots of both flaps of the sign.

6. Your first road sign is now finished. Now repeat steps 2 to 5 also with the other 4 signs (D, E, F and G) to finish them all.
