

# SMALL CUSTOM SHIPPING BOX

## WHAT'S IN THE BOX?

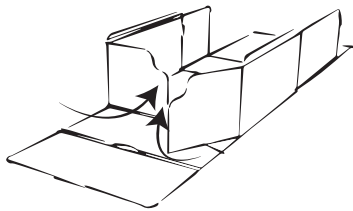

1x Small custom shipping box A

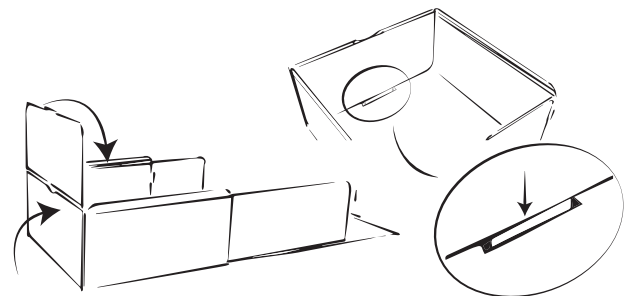

1. Check that you have all the parts.

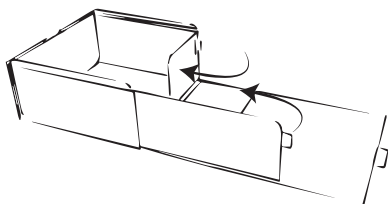

2. Fold both sides 90 degrees.

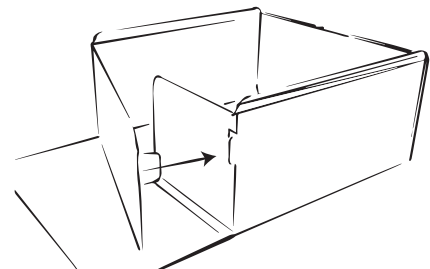

3. Then fold the loose flaps that are attached to the side at the front inwards.

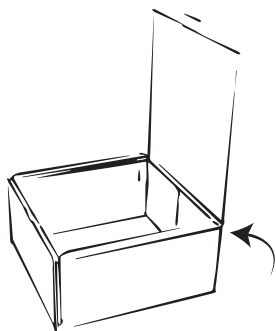

4. Fold the front over the just folded flaps as shown above and insert the end into the cut-outs of the bottom.

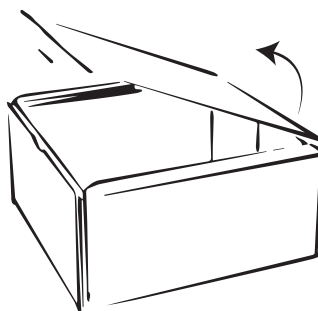

5. Now fold the other two flaps that are attached on the side inwards, folding the small one first.

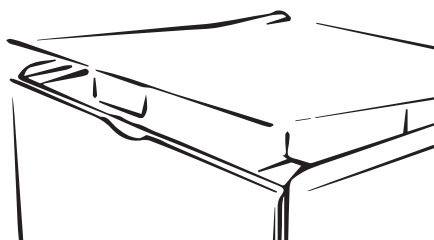

6. Slide the small flap that is attached to the long one into the slot of the short flap.

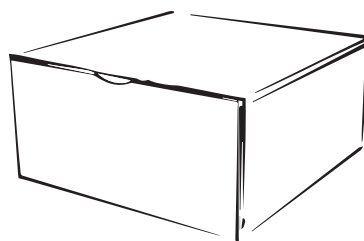

7. Fold the back inwards.

8. Now fold the top onto the box.

9. Finally, put the flap from the top into the slot of the front.

10. Now your little shipping box is finished!
