# LAPTOP STAND
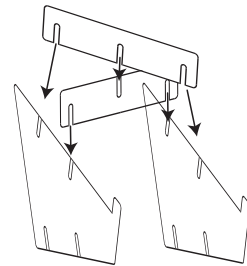

WHAT'S IN THE BOX?
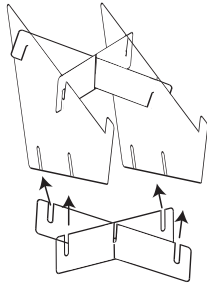

2x Part A
2x Part B
2x Laptop stand basis

**NB!** Use this laptop stand with an external keyboard and mouse.

1. Carefully break apart the pieces and check if all parts are complete.

2. Make a cross with 1x part A and 1x part B and attach to the base pieces.

3. Also, complete the bottom and attach it as shown.

4. Your laptop stand is ready to support your laptop!
