

# CARDBOARD VASE

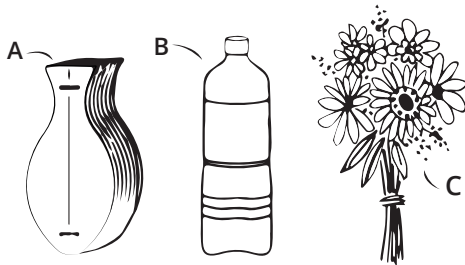

## WHAT'S INSIDE THE BOX?

1x Cardboard vase (A)

### Own input

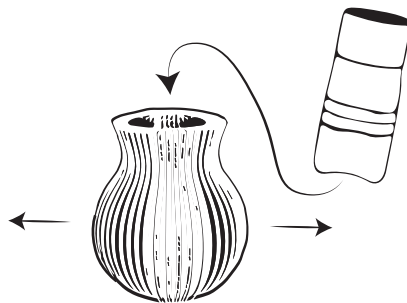

1x Plastic bottle (B)

1x Flowers (C)

1. Gather the attributes.

2. Cut the bottle in half at the height of the vase - about 14 cm. The vase shouldn't be showing.

3. Pull the vase apart and place the bottom part of the bottle in the middle. Arrange the sheets to your own liking.

4. Pour water into the bottle and add the flowers. Enjoy your new vase!
