

LETTER TRAYS

WHAT'S IN THE BOX?

- 1x Bottom plate A
- 1x Side right B
- 1x Side Left C
- 1x Back D
- 1x Folding carton E

1. Check that you have all the parts.

2. Break out the loose parts.

3. Place the folding carton E on one of the folding lines of base plate A. Then fold the bottom plate A 180°. Then you can throw away the folding carton.

4. Fold side right B and side left C, as shown in the image above.

5. Slide the sides into Base plate A.

6. Slide back D into the slots in the back of the sides.

7. Your Letter tray is ready!

8. Place the semicircles at the bottom of the top tray in the recesses of the bottom tray to stack them. This way you can stack as many trays as you want.
