

BULL HEAD

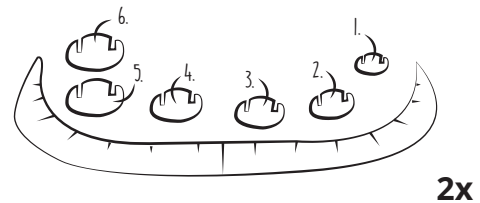

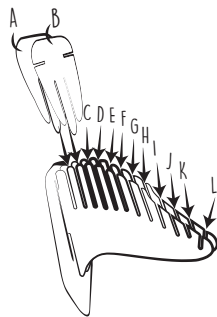

WHAT'S IN THE BOX?

- 2x Base part Bull
- 1x Back shield
- 12x Main parts A-L
- 4x Base parts horn
- 12x Horn parts 1-6

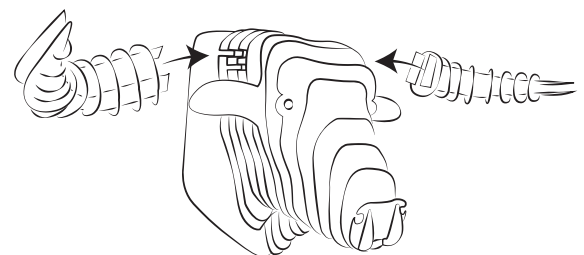

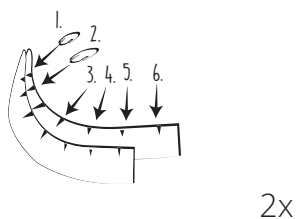

1. Check if all parts are included.

2. Create the base part of the bull by clicking together the two base parts and the backside (2x).

3. Now, slide all main parts (A-L) in the base.

4. Check if all parts of the horns are included (2x).

5. Attach the horn parts (1-6) as shown.

6. Now, attach the finished horns to the bull head by sliding them into the designated cutouts.
