

PICKNICK TABLE

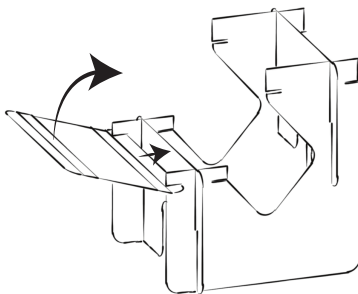

WHAT'S IN THE BOX?

- 4x Base part A
- 4x Cross part B
- 2x Seating surface C
- 2x Table surface D
- 4x Attachment piece

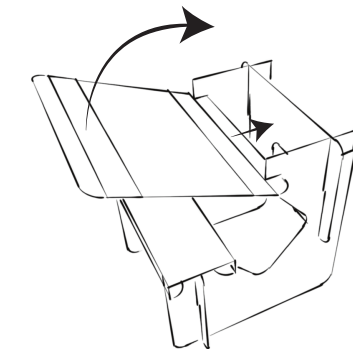

1. Open the box and check if all parts are included.

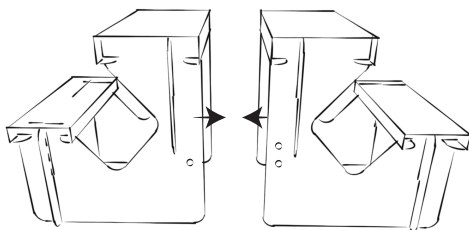

2. Put two A parts and slide two B parts into the designated outcuts.

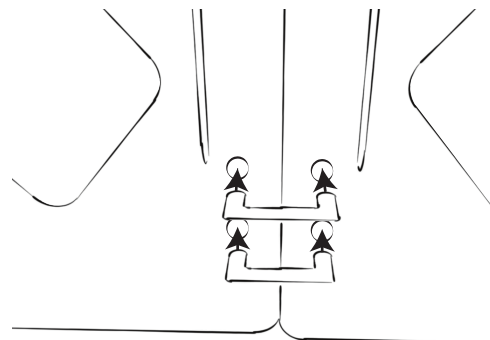

3. Slide part C in the outcuts at the lower part of the table, fold it over and attach to the designated slot.

4. Now, slide part D in the upper part of the table, fold it over and attach to the designated slot.

5. Create two of those parts and slide them together.

6. Now, put the attachment pieces into the designated holes. Your picnic table is ready!
