

# TOY CAR

## WHAT'S IN THE BOX?

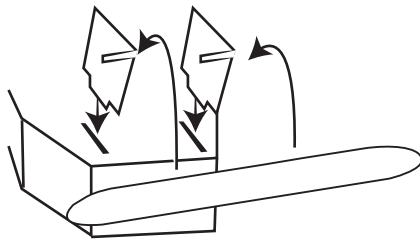

- 1x Auto body
- 4x Wheels
- 1x Steering wheel
- 1x Tail part
- 1x Tail holder
- 2x Traffic sign bottom
- 2x Traffic sign middle
- 2x Traffic sign top

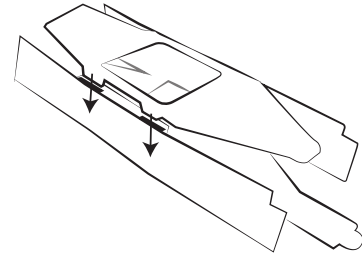

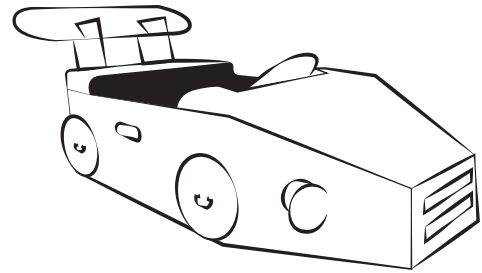

1. Take everything out of the box and check if all parts are included.

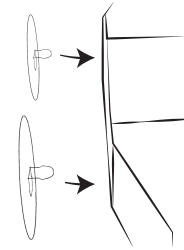

3. Close the front and back side of the car by folding the flaps inward.

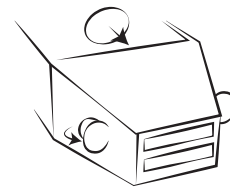

5. Attach the tail part to the back side of the car.

2. Create the base part of the car by sliding the clickers in the designated holes.

4. Put the clickers of the wheels in the designated holes.

6. Attach the steering wheel to the car and fold over the headlights.

7. Create the traffic signs by attaching the top and bottom parts to the middle parts. Drive safe!
